## **For Immediate Release**

### **Local Firm Named Exclusive Legal Software Consultant**

**Lincoln, Nebraska January 23, 2007** – Today Software Technology, Inc. (STI), the maker of Tabs3 and PracticeMaster legal software, announced that Baker+Cadence Solutions has been named a member of STI's elite, national network of resellers and consultants known as the President's Circle. The twenty members of the 2007 President's Circle are the highest performing Tabs3 and PracticeMaster resellers and consultants - each with a strong history of helping law firms to get the most from their mission critical billing, accounting and practice management software.

"President's Circle members are chosen for membership by being top sales performers, acquiring extensive knowledge of Tabs3 and PracticeMaster, and by consistently providing a high level of installation, training, and support services to their clients," said Dan Berlin, President of STI. "President's Circle members represent the top tier of Tabs3 and PracticeMaster resellers and consultants, and are widely recognized as experts in the legal technology industry," added Berlin.

"It is an honor to be recognized as one of the best Tabs3 and PracticeMaster consultants in the nation," said Bill Baker, CEO of Baker+Cadence Solutions. "Tabs3 and PracticeMaster are incredibly useful products. It is easy to get excited about helping law firms use them each day," added Baker.

Baker+Cadence Solutions has been consulting on law firm technology in Northern California since 1995. They work with the billing and financial departments of the areas most prestigious law firms including McQuaid Bedford Van Zandt, Van DePoel & Levy and Donahue Gallagher Woods.

"I recently worked with Bill Baker on the purchase and installation of Tabs3 and PracticeMaster, and it was the best technology decision I could have made for my firm," said Carol Stone, Administrator of McQuaid Bedford Van Zandt. "The ease and reliability of the software coupled with the personal training and ongoing support I receive from Bill Baker is unmatched," added Stone.

Software Technology, Inc. has a national network of resellers and consultants that specialize in the sales, installation, training, and support of Tabs3 and PracticeMaster Software. This arrangement allows clients to work directly with a local person who can provide on-site demonstrations and local references. Tabs3 is a suite of billing and financial software and PracticeMaster offers complete firm management for legal professionals. Tabs3 is also the most widely used billing software by small law firms in the country according to the American Bar Association Legal Technology Resource Center's 2003 Survey.

### **About Baker+Cadence Solutions, LLC**

Baker+Cadence Solutions, LLC (BCS) provides a full range of technology solutions and related services to law firms and corporate legal departments in the Western United States. in California, Oregon, Washington, Nevada, Utah and Alaska. Our trained technology specialists have many years of law firm experience. We welcome the opportunity to discuss your technology requirements and our recommended solutions.

**About Software Technology, Inc.**

Software Technology, Inc., the maker of Tabs3 Billing Software and PracticeMaster Practice Management Software, has been at the forefront of developing software for law firms for over twenty-five years. Tabs3 is one of the most widely used time and billing products in the United States and has been an industry leader since its introduction in 1979. Tabs3 is designed to integrate with PracticeMaster, the emerging leader in practice management software. Tabs3 is recommended by over 90% of those that use it, and also has a support satisfaction rating of over 95%. Year after year, Tabs3 and PracticeMaster are acknowledged for their excellence in the legal software industry. In fact, Tabs3 was the only billing software recognized in 2005 by the three major legal industry awards.
